

What is it? It's a ground level play boat.

Age Range: 3 - 7

Platform Height: Ground Level

Pros: Children love to use their imagination and sailing the seas is a particular favourite. This item does not require any safety surface or expensive installation. It can be relocated with relative ease.

! It does need a clear level area to sit on. Make sure the ground does not have any trip hazards or slippery loose gravel.

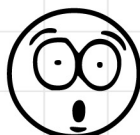

Comments: PJ Craddock - Production Manager
This product came as a result of feedback from Schools we have worked closely with. It ticks the boxes for Key Stage 1 children.
