

Ahoy there me hearties...

Trenance Childcare had a relatively small area they wished to include some coastal themed play in to. A variety of climbing activities and a crawl through were requested but the rest was left to our design team!

After installation Jen and the team asked us to go along and officially open the boat whilst the local newspaper took photos.

'We love it. The children love it. It's just amazing. We are so happy!'

Jen Merrikin - Manager

Trenance Childcare

Designed especially for Trenance Childcare, the bespoke Trenance Trawler will grab children's imagination and be the centrepiece for as many nautical role play scenarios they can dream up. The colourful panels and array of challenging climbing activities included on this unique design will add fun to play time and allow toddlers to build their confidence.
