Comments: Cathy Craddock

The original version of this was built for me in the early 1980's.

It was a last minute thought for our Farm Buildings stand at the Royal Cornwall Show. It was named 'Cathy's cottage' and it was supposed to come home to our Garden. However, someone asked if they could buy it and it was sold.

I never did get my own play house, I am not bitter...honest! The cottage play house was the beginning of our families involvement in the play equipment industry. The original play house is still in use nearly 30 years later!!
