CASTLE KIDDO

NEW DESIGNS FOR 2020

"I need eyes in the back of my head" is a comment that all us parents have muttered when trying to keep an eye on our toddlers. It's all that fascination and wonder of the world that keeps our little ones flitting from one thing to another.

Castle Kiddo has been designed packed with plenty of safe climbing, sensory and role play experiences offering a feeling of freedom to explore but also keeping them contained giving your customers that chance to just enjoy the eyes on the front of their head!

Up, down, round, through, over, under. Super tough, long lasting tower frames formatted in a way that suits your venue & budget

FUNKY BARN TOWERS

Can you remember getting completely lost in imaginary play? Whether it was playing in your wendy house or driving around on your favourite set of wheels. Didn't we all just want the grown up world to feel our size...and this is where our role play stems from! Built using tough, long lasting materials requiring little or no maintenance. Speak to us about creating a safe mini world that suits the theme of your venue. **We work together to come up with a scheme that's tailor made to you!**

NATURE TOWERS

TOP SELLERS

Children simply adore....

...these tried and tested pieces of equipment that have been loved for many years. These timeless traditional favourites are now made in super tough, maintenance free materials.

First and foremost, your play equipment needs to last

A long time. And to ensure this happens, we only use the highest-quality materials. We manufacture our equipment and imagine 20 drunk, 18-stone marines may climb all over it at some point!
