PLAYHOUSES

ROLE PLAY - ENCOURAGE CREATIVE MINDS TO EXPLORE FREELY

" We are thrilled with our new play area and have already seen the impact it is having on the children's social skills, physical development and imaginative play. " Carolyn Power, Archbishop Benson School

VEHICLE PLAY

"Outdoor Play People have been an absolute pleasure to work with. The company are expert communicators, turning our ideas in to tangible units whilst checking with us at every stage that our criteria was being met."

Mike Penn, Haynes Motor Museum

Play vehicles are our best selling range & have enchanted kids (& adults) for decades. Built on strong high grade timber bases that have received a gold award winning 30 year treatment, they're panelled with top grade 19mm HDPE & fixed using stainless steel fixings. Our play vehicles are built to last & last.

TOWER PLAY

Choose from our tried and tested tower frame designs or our flexible Pick & Mix range. With options suitable for children aged 2 years and upwards, all our towers are strongly built with high grade European redwood that has been treated with a gold award winning 30 year treatment with hot dipped galvanised or stainless steel components.

" We're so pleased! The design relates to us and that's all we really wanted. "

Jan Raymont, Trevean Holiday Park

BOAT PLAY

AHOY THERE!
This Pirate Ship is a whopping 17 metres long!

Like a magnet, play boats really attract children! Imaginary sea adventures along side physical challenges & fun play activities makes a play ship not only a great play frame for children but a real centre piece for your play area.

" There's something about a ship that really fires the imagination "

Annette Osborne, Trevalgan Touring Park

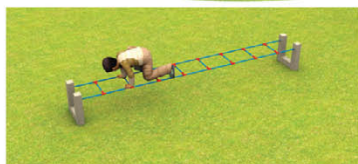

AGILITY & FITNESS EQUIPMENT

*" The children have commented positively on the challenge element which is **GREAT.** "* Carol Nesham, Head of St Mark's C of E Primary School

CASTLES & FORTS

CASTLE KIDDO

"It's a great success! And gives the 'WOW' factor. The investment has had a major impact – apart from looking great, it's added extra value to the castle and kids spend hours playing on it." *Stuart Burnell, Cattle Country Adventure Park*

SPARES, REPAIRS & REFURBISHMENT

We don't just supply new equipment. Our multi-talented team can also help manage & maintain your existing play area.

Need spare parts? ...Get in touch!

We generally have a good stock of standard items and have many more spares available via our plethora of industry suppliers.

Had an RPIi inspection and not sure what it all means?...Get in touch!

We know the lingo and we can either help & advise you on what you need to do or we can take all the pressure off you and come along and look at carrying out the works for you.

Need repairs/refurbishment works?...Yes, you got it, get in touch!

It's highly likely we can help get your play area tip top again. We aren't 'Bodge it and Leg it' - if we think the works required aren't going to be economically viable, we will tell you. If we can get you up and running again in a safe and viable way, then we will do that for you.

First and foremost, your play equipment needs to last

...a long time. To ensure this happens, we only use the highest-quality materials. We manufacture our equipment and imagine 20 drunk, 18-stone marines may climb all over it at some point!

4 Years Later

"We have several families who re-book the same dates - the children beg their parents, because great friendships have formed on the play area."

PHOTOS TAKEN 4 YEARS AFTER INSTALLATION...STILL LOOKING GREAT!

MATERIALS WE USE

Timber

We only use FSC certified timber.

What does this mean? • In short it means it meets a 'Gold Standard' on ethical production. • The timber is harvested from forests that are responsibly managed, socially beneficial, environmentally conscious & economically viable.

Gold award winning 30-year timber treatment

What does this mean? • It means that our timber has received the latest & best timber preservative which means years of maintenance free playtime! • Approved by the WPA benchmark scheme for 30 years desired service life. • All the treatments are carried out by our supplier using the latest Auto-treater plant control & management technology ensuring a consistent quality treatment takes place.

We use exclusively selected redwood that is handpicked twice to ensure it is up to our very high standards

What does this mean? • Our timber will naturally be very strong, durable and as safe as possible • Knots (Which can become a problem) will be at a minimum. • Less likelihood of splintering.

Our timber is planed & pencil edged

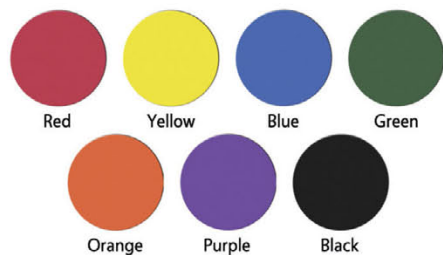

What does this mean? • The timber is smooth. • The corners are chamfered to eliminate sharp edges & reduce the chance of splinters.

HDPE

What is it? High density Polyethylene is a plastic with a high strength to density ratio.

What are the benefits of HDPE? • Will not rot, delaminate, splinter or crack • UV stabilized for fade resistant outdoor use • Durable matt finish which is stain & graffiti resistant for easy cleaning • Moisture & chemical resistant • No painting required! • High impact resistance • Recyclable & nontoxic • Available in a range of colours.

HDPE Single Colour Options

HDPE Two Colour Options

• Straight or Spiral • Available in red, blue, green & yellow or can be in specific RAL colours and/or themed at extra cost

Fixings & Steel Components

• High grade fixings throughout • Galvanised or stainless steel • Chains – galvanised or stainless steel • We don't use any powder coated steel, only hot dip galvanised or stainless steel

ABOUT US

Family values are at the core of Outdoor Play People. With Cathy & PJ Craddock at the helm alongside their awesome & dedicated team, you get decades of experience, top quality play equipment and as much or as little advice as you need.

We have the experience to get the very best out of your play area and/or budget. Your project is as exciting to us as it is to you. We quite simply love what we do and we thrive on building relationships & creating play environments with our customers.

Being based on the wild north coast of Cornwall, we are used to creating equipment with materials that will cope with everything the elements throw at us.

Whether you're the owner, Director, manager, teacher or committee member, we know that you are already very busy people. You may have a clear vision to share, you may simply not know where to start or you could be somewhere in the middle. Wherever you are with your project, we can help you move forward & achieve the play setting to suit you.

The winning formula...
